These prices include airport transfers, tuition, host family accommodation (bed, breakfast, packed lunch, evening meal, laundry), course materials, end-of-course certificate and report, activities, excursions and bus passes if the student's host family is not within walking distance of the school. Students generally have to share their accommodation with another student and it may not always be possible to place only one student of a particular nationality with a host family.

Students may spend either 2 or 4 weeks on the Non-Residential Programme.

(Arrivals outside of these dates are subject to host family availability. 6 or 8 week options are also available)

Examination fees are not included in the cost of the programme so students wishing to take the Trinity College London Oral English or TIE (Test of Interactive English) examinations need to pay extra for those examinations. Alpha College should be informed as soon as possible of the name, date of birth and estimated English level of students wishing to take examinations.

Please ensure that Alpha College is made aware, in advance of a student's arrival, of any special medical or dietary requirements.
